

Scanned Service Agreement

This page is intentionally rendered as an image-only PDF.

It should stress-test text extraction and OCR fallback behaviour.

1. Services: Provider will deliver implementation support as requested by Client.

2. Payment: Fees will be determined later and paid when approved.

3. Liability: Provider accepts broad responsibility for all losses without a cap.

4. IP: Ownership of work product is not clearly defined.

5. Data: Client may provide personal data, credentials, and operational records.

6. Governing law and dispute resolution are not specified.

Expected app behaviour without OCR: extraction failure or clear limitation.

Expected app behaviour with OCR: classify as Service Agreement with high risk.
