

Professional Services Agreement

High-risk service agreement with vague scope, unlimited liability, weak payment detail, and missing indemnity/data protection terms.

Party	Details
Client	Harbour Medical Group
Provider	CloudOps Consulting Co.
Effective Date	10 April 2026
Project	Operational systems advisory and implementation support.

Agreement Terms

1. Services

Provider shall perform services as requested by Client from time to time. The parties may discuss deliverables by email or in weekly calls.

2. Fees and Payment

Fees shall be reasonable and invoiced periodically. Client will pay invoices when approved internally.

3. Client Materials

Client may provide Provider with data, access credentials, process documents, and other materials as needed for the work.

4. Liability

Provider is responsible for all direct, indirect, incidental, special, consequential, punitive, lost profit, lost revenue, data loss, and reputational damages arising from or related to the services, whether foreseeable or not, without any aggregate cap.

5. Warranty

Provider warrants that all services will be successful and fit for Client's intended business outcome.

6. Intellectual Property

Ownership of project materials will be discussed after delivery.

7. Termination

Either party may stop work after giving notice. The consequences of termination will be handled commercially.

8. Governing Law

This Agreement is governed by the laws chosen by Client at the time a dispute arises.
